

ALUMNI LUAU ACTIVITIES & FESTIVITIES

June 13 & 14, 2003

ALL ABOARD! The "harmonic" class of '79 will transform lower field and the luau tent into "*BuffanBlu Steamship Co.*" This requires us to REUNITE! We need the help of an abundance of volunteers - spouses and friends are welcome. Your assistance will insure a spectacular event for the more than 2000 attendees. If you haven't already done so, please complete & return the enclosed Work Commitment Form by April 30, 2003.

LUAU T-SHIRT

Whether you can attend the luau or not, the 2003 luau t-shirt will make a great souvenir! We also encourage all classmates and volunteers to purchase a shirt to wear while working at the luau. This will help to identify our class and the other volunteers who help make the luau possible. Special thanks to Marshall Marumoto for his awesome design and the printing of the shirts. Please complete & return the enclosed Class of '79 Luau T-Shirt form by April 30, 2003. Proceeds from t-shirt sales are used to fund the Class of '79 post luau party.
